

BEIJING 2014 – CHINA INTERNATIONAL CAMPUS

From 1st al 16th July 2014

Training tour and journey

in the cultural capital of China, coordinated by

M ° Wang Zhi Xiang and M ° Isidoro Li Pira

After the extraordinary experience in the 2012, it's a pleasure for us to organize and coordinate the new one seminar that will take place in the great capital of the North China with the special participation of the best local teachers and the famous World Organization of Wushu in Beijing . This journey is a rare opportunity to improve your skills and train with them learning in the places where the martial disciplines of Taijiquan, Qigong and Gongfu Wushu have their roots.

As in the previous edition we took care of every detail thanks to the help of the teachers Shi Jin and Huo Hong Wei that are supporting us in this program. We chose for you selected high standard teachers and we reserved you accommodation in a five-star hotel. Short tours and training sessions are included in the journey program.

Keeping our spirit up during the organization of these activities, we were able to keep unchanged price and highly competitive activities in quality and experience hoping this could meet your expectations.

Participation fee is €. 1'800.00

For companion is €. 1'200.00

The total fee includes: instructional courses, accommodation, meals and tours as planned. Flight ticket and visa fees are excluded from the quota. Companion quota exclude instructional courses and flight. (courses are available with daily payment)

We engaged the agency with which we have already collaborated last year, "China Star" of Lugano that will help you for travelling detail not included in the price above: tickets and visa issuance practices.
